InspiraPrint™

THE CHOICE IS CLEAR

InspiraPrint™

Glass takes on a uniquely creative edge with **InspiraPrint™**, where the aesthetic of your space reaches as far as your imagination can take it.

Each custom made piece is digitally printed in stunning resolution and breathtaking colour depth, ensuring stunningly vibrant and clear visuals that will always leave an impression. Printed with durable ceramic inks, **InspiraPrint™** can be used for interior flourishes and impressive exteriors alike while resisting colour fading and weather wear.

As each piece is custom made to suit your specific architectural vision, the whole range of options are available to make your space uniquely yours. From charming accents to awe-inspiring facades and curtain walls, **InspiraPrint™** makes your designer dreams a reality.

Make stunning glass your canvas with **InspiraPrint™** glass. This bold piece is sure to make any building extraordinary and instantly memorable for occupants and visitors alike.

Incredible Clarity

InspiraPrint™ is printed in high resolution and true colour fidelity, ensuring each piece is exactly as you envisioned.

Suitable Anywhere

We use durable ceramic inks which are permanently fused onto the glass surface for a beautiful finish that resists wear-and-tear and UV colour fading.

Tested & Certified

People are naturally fascinated by **InspiraPrint™** and so it is toughened to the standards of Grade A Safety Glass (AS/NZS2208)
