

GLASS MARKET

TempaColour™

THE CHOICE IS CLEAR

TempaColour™

Bring your vision to life with **TempaColour™** painted glass panels and see how the beauty of rich, vibrant colour transforms your space.

With a huge range of available colours at your fingertips, **TempaColour™** can revitalise the visual appeal of any application. From home kitchens, bathrooms and living spaces to commercial uses, the options for making your decor your own are almost endless.

TempaColour™ is available in annealed or toughened form, and can be used in conjunction with other products to improve their aesthetic appeal.

As a decor piece, it's easily customised with cut-outs to accommodate for other design features. This is a true statement piece that elevates the visual aesthetic of your space like no other.

TempaColour™ dynamic painted glass panels add a touch of lively colour to living and work spaces. Designed with durability for indoor settings, the full spectrum of colours are ready to liven up your decor.

Full Range of Colours

There's a whole spectrum of colours to choose from. No matter your decor and your taste, you're sure to find vibrant options to suit you.

Fully Customisable

TempaColour™ can be used with other products in our range for added visual impact.

Suitable Anywhere

TempaColour™ can be used for a range of applications while keeping its vibrant colour and being easy to maintain.
